

Open House for the 2009-2010 school year

Open House is an important event at the beginning of the school year. It gives parents and teachers an opportunity to meet and begin to build a relationship that will help them work together for the benefit of our students. It also offers parents the opportunity to learn more about ways they can partner with the school for the best possible educational experience. Fall Open House dates are as follows:

- Elementary School – Tuesday, September 15 or Thursday, September 17
- High School – Tuesday, September 22
- Middle School – Thursday, September 24

Parents may check with their child's campus to verify dates and times and receive additional information. Plan to become more involved in your child's educational growth!
