

Addendum for High School Choirs

Grading

Learning objectives are based on performance skills, responsibility, and participation. Therefore, students are expected to fulfill individual as well as group responsibilities.

Since choir is a performance based course and a team activity, all students are required to attend all performances and rehearsals. Therefore, students may have points deducted as follows:

Unexcused absence from rehearsals that are extensions of classroom activities such as section rehearsals = double daily grade

Unexcused absence from a performance that is an extension of classroom activities, such as school concerts, which do not meet the definition of extracurricular = double major grade

Tryout Procedures

Prior to the academic school year, ALL students will audition for placement in one of the choirs. This placement will be determined by an audition on music materials selected by the choir director and/or recommendation from previous directors. NO STUDENT WILL BE ENROLLED IN ANY CHOIR UNTIL THIS IS DONE.
