Dear Glover Families,

It is hard to believe that it's almost time to start another exciting school year! We are gearing up for the 2009-2010 school year moving from “Excellence to Eminence.” I am proud to say that Glover Elementary has earned the status of TEA Recognized campus! The hard work and dedication of students, parents and the entire Glover staff has paid off for everyone. The greatest asset of our community is our children. Even when the day has been long and we just don't seem to have another ounce of energy. I look forward to working with everyone moving Glover Elementary from “recognized to exemplary” in 2010
