

IMMUNIZATION UPDATES

If you received a letter from the WHS clinic regarding a need to update your student's immunizations, please provide proof of this update on or before the date requested. In many instances this immunization was already given by your student's physician but the paperwork was not sent in to the school.

Please drop the appropriate documentation at the front office, mail to the school c/o the clinic or fax to us at 281.634.2513.

Your student will not be permitted to attend school without current immunizations per Texas State Law. Any student without current immunizations will not receive their schedule for the 2009-2010 school year.

Immunization information for parents can be accessed on the following website:
