

Proud Sponsors of the Fort Bend Education Foundation!

Fresh Air wants to show its support for FBISD by offering a special discount to all Fort Bend ISD Employees. We are excited to provide our premium service to everyone within the FBISD family and our special discounts are as follows:

-
- 15% off all repairs
 - \$300 discount off the purchase price of a new complete A/C and heating system plus any rebates or promotions available at that time
-

Fresh Air will also make a \$100 donation to the Fort Bend Education Foundation when a new system is purchased from us! Just let us know when you call that you work for FBISD and we'll handle the rest!

CALL US AT 281.499.3511

Your job will include all of the following when purchasing a system:

- 42 years of experience in installing systems and servicing customers in the Sugar Land/ Fort Bend area
- A+ rating with the BBB and Angie's List
- 100% satisfaction guarantee for the first year or your money back so there is no risk on your end in doing business with us (provided we are given an adequate opportunity to fix the problem if unsatisfied)
- Custom fabricated metal supply and return plenums
- a 5" Honeywell whole house media filter in the attic to ensure higher indoor air quality, while also protecting your equipment from any dirt or dander that could be making it past the current filters in the return grills in the home
- 10 yr. parts and 1 yr. labor warranty to ensure that you are covered on all costs of parts in the case of any failures for the next 10 years (10 yr. labor optional)
- Emergency float switch to shut off the system if water gets in the new secondary drain pan to prevent any ceiling floods
- Sealing all ductwork air tight with mastic
- 1 yr. free preventative maintenance contract with purchase of new system (spring and fall maintenance for first year)
- \$1,000,000 Liability insurance policy in case of any accidents, you're covered and won't be held liable
- We background and drug test all of our employees
- Member of ACCA (Air Condition Contractors of America) to ensure good business ethics and doing what is right for the customer
- Nate Certified Technicians to ensure technical competence
- 24/7 emergency service
