

GRANT-A-STARR FOUNDATION

8th ANNUAL | FAMILY FUN RUN & WALK

April 2, 2016

Sugar Land Memorial Park
15300 University Blvd.
Sugar Land, Texas

The Grant-A-Starr Foundation is a non-profit organization created solely for the purpose of saving children's lives through the advancement of rapid detection of life-threatening childhood infections, such as encephalitis and meningitis. We advocate for and provide financial support to projects that are dedicated to the development of rapid diagnostic testing which will reduce the time required to identify a child's illness from days or weeks to hours. The annual Fun Run event attracts over 600 participants from Sugar Land and the greater Fort Bend County. A sponsorship will promote your organization in this fast-growing community as well as provide critical support to the Grant-A-Starr Foundation mission.
