

2017 Commencement Ceremonies Frequently Asked Questions

Why did Fort Bend ISD move its 2017 graduation ceremonies to the Smart Financial Centre?

- Due to changes to extend the National Basketball Association's schedule, the Toyota Center may not always be available for future graduation ceremonies in the timeframe that Fort Bend ISD needs for graduation ceremonies to be held. We have had to change the date of our graduation ceremonies in the past due to an NBA lockout and are always on standby when the Rockets have playoff games.
- The District is very limited in the available indoor venues for graduation. To that end, the Smart Financial Centre in Sugar Land, which opened in December 2016, provides a new, convenient entertainment venue for the 2016-17 Graduation Ceremonies, and is located within the Fort Bend ISD attendance boundaries.
- The indoor seating capacity for the venue is approximately 6,250. Last year, close to 57,000 family members and friends were able to attend the ceremonies and participate as more than 5,400 graduates receive their diplomas. The attendance ranged from 3,200 to a little more than 6,000 per ceremony, so we are confident that parents and students will enjoy a large venue that is close to home.

How do I get to the Smart Financial Centre?

The Smart Financial Centre at Sugar Land is located at 18111 Lexington Blvd in Sugar Land.

PARKING

SHUTTLE BUSES: Parents will be able to park for free at their student's home campus and ride an FBISD bus to the graduation ceremony at the Smart Financial Centre. The buses will also bring you back after the ceremony. If you plan to ride the shuttle bus, you need to fill out the section for this service on the online ticket ordering form.

(Students will be riding a bus from the school separately and will receive more information about those details from their campus.)

ON-SITE PARKING: Parking is also available at the Smart Financial Centre for \$10. Parents/family members may also Uber to the venue.

Do guests need tickets?

- In discussions with the Smart Financial Centre operators, we developed a plan to issue tickets to the families of the graduates planning to attend the ceremonies. The tickets will help ensure there is seating capacity for each family for each of the graduation ceremonies. Also, another reason to issue tickets is that we may have increased attendance due to the close proximity of the new venue.
- To ensure there is maximum seating capacity for all of the families with graduating seniors, Fort Bend ISD is using a similar ticketing process that other school districts, like Katy ISD and Cypress-Fairbanks ISD, have used successfully. Katy ISD provides 8 or 10 guaranteed tickets for families depending upon the size of the graduating class, and CFISD provides 8 tickets for families.
- In making our plans for the 2017 high school graduations, Fort Bend ISD staff members and principals have been working with some of the same experienced staff members who coordinated past FBISD graduations in the former Compaq Center and the Toyota Center.
- Based on prior experience with opening new venues, the Smart Financial Operations Director advised the District to use a guaranteed ticketing process because we could have more in attendance than in previous years due to the convenient location.

TICKETING PROCESS – April 3-21, 2017

How do I reserve tickets?

- Beginning on **Monday, April 3**, parents may log on to Skyward/Family Access and request the number of tickets the family will need. **This must be done using the parent's login information.** Using Skyward ensures a reliable and accurate way of processing tickets. *(If you need assistance with Skyward, please contact Krystal Minear (281-634-7021) or Mary Tejada (281-634-7022).*
- Graduating seniors do not require a ticket, so do not count them when ordering tickets.
- Tickets are required for everyone over the age of two (2).
- If you need additional tickets beyond the allotted number, you may request more on the form and be placed on a waiting list.
- You may make changes online to your request through **Friday, April 21**.
- After the requested tickets have been fulfilled for the graduating class, any tickets not claimed will be redistributed to those on the waiting list. Seniors will be notified of the additional tickets allotted to them on **Friday, May 5**. Every effort will be made to accommodate requests.
- NOTE: Requesting additional tickets does not guarantee that you will receive more than the allotted number.
- **KEEP TICKETS IN SAFE PLACE** – There will be no replacement tickets issued. You will not be able to enter the Smart Financial Centre without a ticket, so be sure to keep the graduation tickets in a secure place.

NOTE: **LIVE STREAMING** – the graduation ceremonies are also available for viewing via live streaming on YouTube for those in the military service or for family members who are not physically able to attend the graduation ceremonies.
