2016 Meat Fundraiser

Howdy!

This year, Travis FFA is trying something new and we are selling meat products from Stanton's Shopping Center. Stanton's has been in Mrs. Dohnalik's family since 1922, going on its 95th year! Stanton's Meat is located in Alvin, Texas, just an hour away from our school.

Stanton sells over 100 meat products including 30+ varieties of smoked sausage, and several tasty varieties of bacon, and smoked beef sticks. Recently Stanton's entered products at the Texas Meats Processors Association and took home several Grand Champion Products and Overall Best of Show!

We have put together a fundraiser package with several of the top sellers in store that are guaranteed fresh and high flavor! All profits will go back to the Travis FFA to pay for student activities throughout the year like LDE's and CDE's. These contests are an integral part of a successful FFA program and building young leaders for our country.

We hope you would like to support our FFA chapter and young leaders of tomorrow by purchasing a small town treasure. If you have any questions about Travis FFA or Stanton's Meat Products, please contact Mrs. Dohnalik at leslie.dohnalik@fortbendisd.com.

On behalf of Travis FFA, thank you for your generosity!
