Some Important Information from our Principal, Ms. Diaz

Dear Parents/Guardians,

A few reminders to help all students be successful for Spring semester:

DRESS CODE REMINDERS: This general policy acknowledges that appropriate, decent and non-distracting attire must be worn in an educational setting. Students are expected to show pride **in themselves and TRAVIS HIGH SCHOOL**. For more specific requirements, please check the FBISD website at <http://www.fortbendisd.com/th.s>.

TARDIES: In preparation for future employment and post-secondary education, students are expected to learn career readiness skills such as punctuality; therefore, students are expected to be in class and ready to begin work at the beginning of each instructional period. Each term, as soon as all students have had a few days to find their classes, familiarize themselves with the stairwell locations, and adjust to their routes, our tardy process begins. A tardy student is one who is not inside his/her classroom when the bell rings. Teachers are directed to lock classroom doors when the bell rings to begin class and start instruction immediately. From that point forward, any late student must report to the Smart Start station to get a pass to class or receive another consequence. All tardy offenses are recorded electronically in Skyward.

ABSENCES: All excuses for absences must be documented in writing and delivered to the Attendance Office. We have moved the attendance drop off location to the front counter to make it easier for students. It is the responsibility of the student to bring in a note signed by a parent or physician confirming the reason for the absence within five school days of the absence. After this, an absence will automatically be unexcused. Please include contact names and phone numbers. All student business with the Attendance Office must be conducted outside of class hours. The Attendance Office is open 7:00 AM – 2:45 PM daily. Taking class time to submit an excuse does not exempt a student from the attendance/tardy policy. Please remember that attendance DOES affect credits. Students must be in class 90% of the time the class is offered in order to receive credit for the class.

DROPPING OFF ITEMS FOR STUDENTS: Instructional time is valuable and we must avoid interruptions. However, we want to be supportive of our families who are dealing with emergencies. If you need to reach your student due to a family emergency, please contact your student's administrator. If that administrator is not available, please ask for any TRAVIS HS administrator and let our receptionist know it is an emergency.

We respectfully request that parents avoid asking our staff to deliver items or messages to students. We do not want to interrupt the instruction for a whole class for deliveries to one student. Our electronic device phone policy allows students to check their phones between classes for messages and/or make necessary phone calls. If students do not have a cell phone and wish to call you, we have a phone available in any administrator's office.

We also request that you avoid dropping off forgotten items: food, clothing, sports equipment, money, homework, projects, etc. during the school day. We will not call classrooms and interrupt instruction for routine issues or to ask a student to come pick up a forgotten item. If you must bring something to school, it will be left at the front office reception area on a table. You will be responsible for labeling your child's name on the item. Please remember, however, we do not have a secure place to leave such items. There will be no delivery of balloons, flowers, cupcakes or other such items. Please plan on celebrating events, such as birthdays, outside of school time.

Delivered lunches (labeled) will be left on the table at the front office until the student can come to pick it up. Lunches for groups of students will not be accepted. It is the student's responsibility to check the table for forgotten items.
