Safety First

Please be aware that, when arriving at school early, all students must enter the building through the front entrance (when being dropped off or when driving themselves) & the bus ramp entrance (when arriving by bus). The safety of our students is our highest priority. As such, doors that are locked from the inside should not be used for entrance into the school. Additionally, students have been informed to NEVER open a door for anyone or prop an exterior door open. Thanks for encouraging your student(s) to keep Travis safe!
