### **SENIOR SERVE 2017**

We are **SO** excited to start gearing up for this year's Senior Serve Event! The fun-filled evening will take place at Travis in the commons area on

***Sunday, February 26<sup>th</sup> at 5:30 p.m.***

Senior Serve is an exciting evening where seniors create themed tables and sell tickets for a sit down dinner! The seniors will be the waiters for their guests! In addition to creating themed tables, a dessert will be provided that matches the theme! The dessert will be part of the fundraising as well, as it will be auctioned off!

Tickets for the event will be sold for \$25 per person. This ticket will provide a dinner with 2 entrees salad and bread provided by Lomonte's Italian Restaurant. Each table seats 10 guests! This will help you plan out your table arrangements!

There will also be music and some light entertainment as well as a Silent and Live Auction!

This is one of Project Graduation's (Pro Grad) biggest fundraisers! Therefore, we would like to present a challenge to all Organizations at Travis High School to support a table for your Senior Members. You will have the same opportunity to decorate your table or tables in a theme your group chooses. The only exception will be if it's already taken you'll have to choose another. There is a maximum limit of 10 persons per group.

Seniors please sign up with your group for your theme as soon as possible. This can be done during the week at lunches starting January 23<sup>rd</sup>. You may also sign up at the Pro-Grad meetings. Keep your themes a secret! Sign up fast as we will only allow one group to use a theme! Example book is available to view at lunches!

For further information, please contact Julie Goodwin 713-206-1569 ([mjrgood@sbcglobal.net](mailto:mjrgood@sbcglobal.net)) or Paula Finlayson 832-451-7800 ([paulafin67@att.net](mailto:paulafin67@att.net)) Paula and I look forward to working with you all on this fun event!

***<<<< ADDITIONAL TIGER BUCK OPPORTUNITY >>>>***

From Ms. Diaz:

So THIS is what can happen when you let students solve problems!! Thank you to EVERYONE who helped out - time, money, supplies, encouragement- we couldn't have done this in 10 hours without you!! It truly was a special day.

We got the first floor repainted - E, D, C, B Halls , and front entrance- 24,000 square feet,

**115 gallons of paint and over 250 volunteers!** More importantly, we empowered our students to go after dreams! They worked together- even with those they didn't know - to accomplish a feat that even the adults (me) thought may have been impossible.

Painting among the kids --I heard SEVERAL comments that just made me smile...."I've NEVER done ANYTHING like this before! It's SO COOL!" "WOW, I really didn't think they'd let us do this!" "This is the most fun I've ever had at school." "We are making a difference!"-- and the kids meeting each other while they were working was also amazing ----- seniors working among freshman; student groups working with all different student groups. There really is nothing like it!! The cool thing is -- I've also had several former students contact me about how incredibly proud they are!!

Dr. Dupre and his wife stopped by for a while also --- they were SUPER impressed with our school community.

Our future will be just fine if we invest in our youth. Let's not tell them what they can't do because of our own self-limitations and doubts. Let's just ask them "How?" And then get out of their way!!

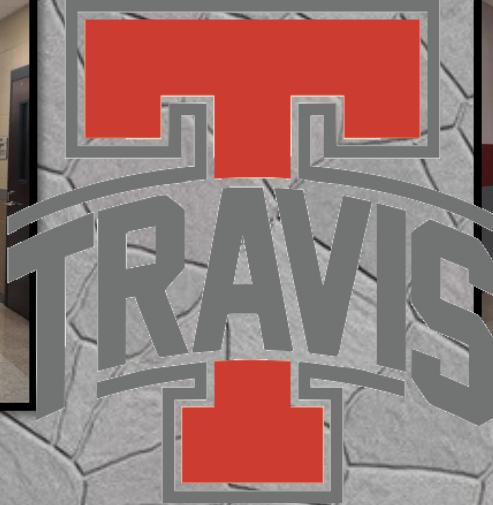

Now it's time to get some REST - because they are already talking about the next project they want to do!!

If you don't have a Twitter account -- it really is time to get one. It's the BEST way to keep in touch with our Gen iY. The entire process is documented on several of our Travis Twitter sites too!!

SEE YOU IN OUR BEAUTIFUL HALLS!!!
