Annual THS Climate Survey

Each year, we conduct an annual Climate Survey for our staff, parents and secondary students to obtain feedback about our stakeholders' work and educational experience in Fort Bend ISD. You should have received a climate survey via email today. Surveys may be completed until Friday, March 31st. As you know, survey data is extremely valuable as it allows our stakeholders to share their thoughts and helps inform our decisions. Thank you for taking your time to complete this survey!

Construction Underway

Please be advised that we now have new road construction underway around the Grand Parkway/Harlem intersections. Circulation has been reduced on almost all sides. Parents and student drivers should make plans to leave earlier than normal to avoid arriving late to school!

Parking Price Reduction

Given the number of school days remaining, the price of general parking permits will be reduced from \$35 to \$25 starting Monday, April 3rd. Please go to the THS website to fill out a parking application. The online parking form has all instructions of how to purchase a parking spot.
