Shared Dreams Drive

Travis High School will be having our Shared Dreams toiletry and old shoe drive next week! For those not familiar with Shared Dreams, it is a FBISD program that provides students in need within our district with clothing, school supplies, and toiletries during the school year. Donated items help students from Kindergarten up to high school level. Shared Dreams receives funds from a recycling program of old shoe, cleats, boots, which allow them to purchase new shoes for students who come to the center for needed items. Please bring your items to the school in the morning for drop off next week.
