HOW DOES THIS INFORM YOUR PLANS FOR NEXT YEAR?

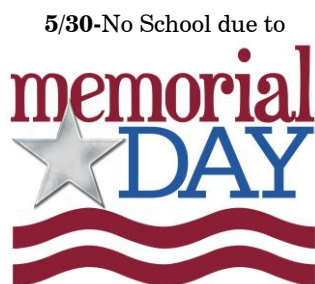

The end of each school year is a unique experience for each child. You can support a meaningful goodbye for your child of any age by keeping conversations about his/her feelings — both positive and negative — open.

As the last day of school approaches, provide multiple opportunities for your child to share and reflect. You may be surprised by what you learn about your child — and his/her school experiences — when you have the space and time to reflect together.
