Keynote Speaker

Tyrone Smith

- ◆ Tyrone Smith is a nationally recognized lecturer and motivational speaker. He is an expert in showing youth how to score in life by obtaining resources to enhance academic, social and moral development. Tyrone provides an environment, rich in education and proactive social behavior, that catapults today's youth into leaders of tomorrow.
- ◆ From star athlete to accomplished businessman, Tyrone Smith empowers, motivates, and inspires anyone who listens to his message. When Tyrone communicates the key strategies that have taken him from meager beginnings to success, both athletically and personally, others, in turn, discover their own personal greatness and potential.
- ◆ A former NFL player with the San Francisco 49ers, Tyrone now spends his time showing others how to score in life. His new book, *Outside the Huddle – Steps to Developing a Game Plan for Life*, recalls his own journey from an at-risk, inner city youth with school struggles and personal defeat to graduating from Baylor University with a B.A. in Sociology, and ultimately, playing in the NFL.
