

Dr. Seuss says, "teeth
are always in style" so...

Share a smile and support
Shared Dreams

QVE T☺☺THPASTE DRIVE

We will be collecting all new & unused sizes of
toothpaste in support of FBISD's Shared Dreams
program starting now through April 27th, 2017.

Dropboxes will be placed on campus.

Shared Dreams provides short term assistance to registered Fort Bend ISD students whose needs have been determined by their campus. The program relies on monetary and in-kind donations of clothing, toiletry items and school supplies from schools, business and community partners, and is not funded by the district or the state
