

Career Day Program

Student Questions

Got Questions?

...In case you don't, here are a few you might want to ask your Career Day presenters.

What Interested You?

- How did you become aware of your career?
- Why did you choose your job?

How Did You Prepare?

- **What kind of education is required for your job?**
- In High School (or in College) what kind of:
 - **Classes/curriculum** did you take?
 - **Extra-curricular activities** were you involved in?
 - **Work experiences** did you have?
 - ☆How did each of these help you select your job?
 - ☆How did these help prepare you for further education...and your current job?
- Are there other kinds of training/schooling required for your job?
- Who did you go to for help in pursuing your career and/or getting your job?

What Is Your Job Like?

- What is a typical day at your job like?
- **What are the usual work hours in your job?**
- What special skills are required?
- What makes your job easy?...fun?...cool?
- What is challenging or hard about your job?
- **Do you travel in your job? To where? How frequently?**
- Do you work mostly by yourself or with other people (e.g. teams)?
- In what type of environment do you work? (e.g. office, mfg. plant, outdoors)

What Do You Think?

- What do you like most and least about your job?
 - Is there anything you would have done differently in high school? ...after high school?
 - What advice would you give someone like me with an interest in _____?
-
