Areas Served

Students are currently identified and served in the 4 core areas.

Differentiation is...

“... a teacher’s response to a *gifted* learner’s needs.”
(Carol Ann Tomlinson)

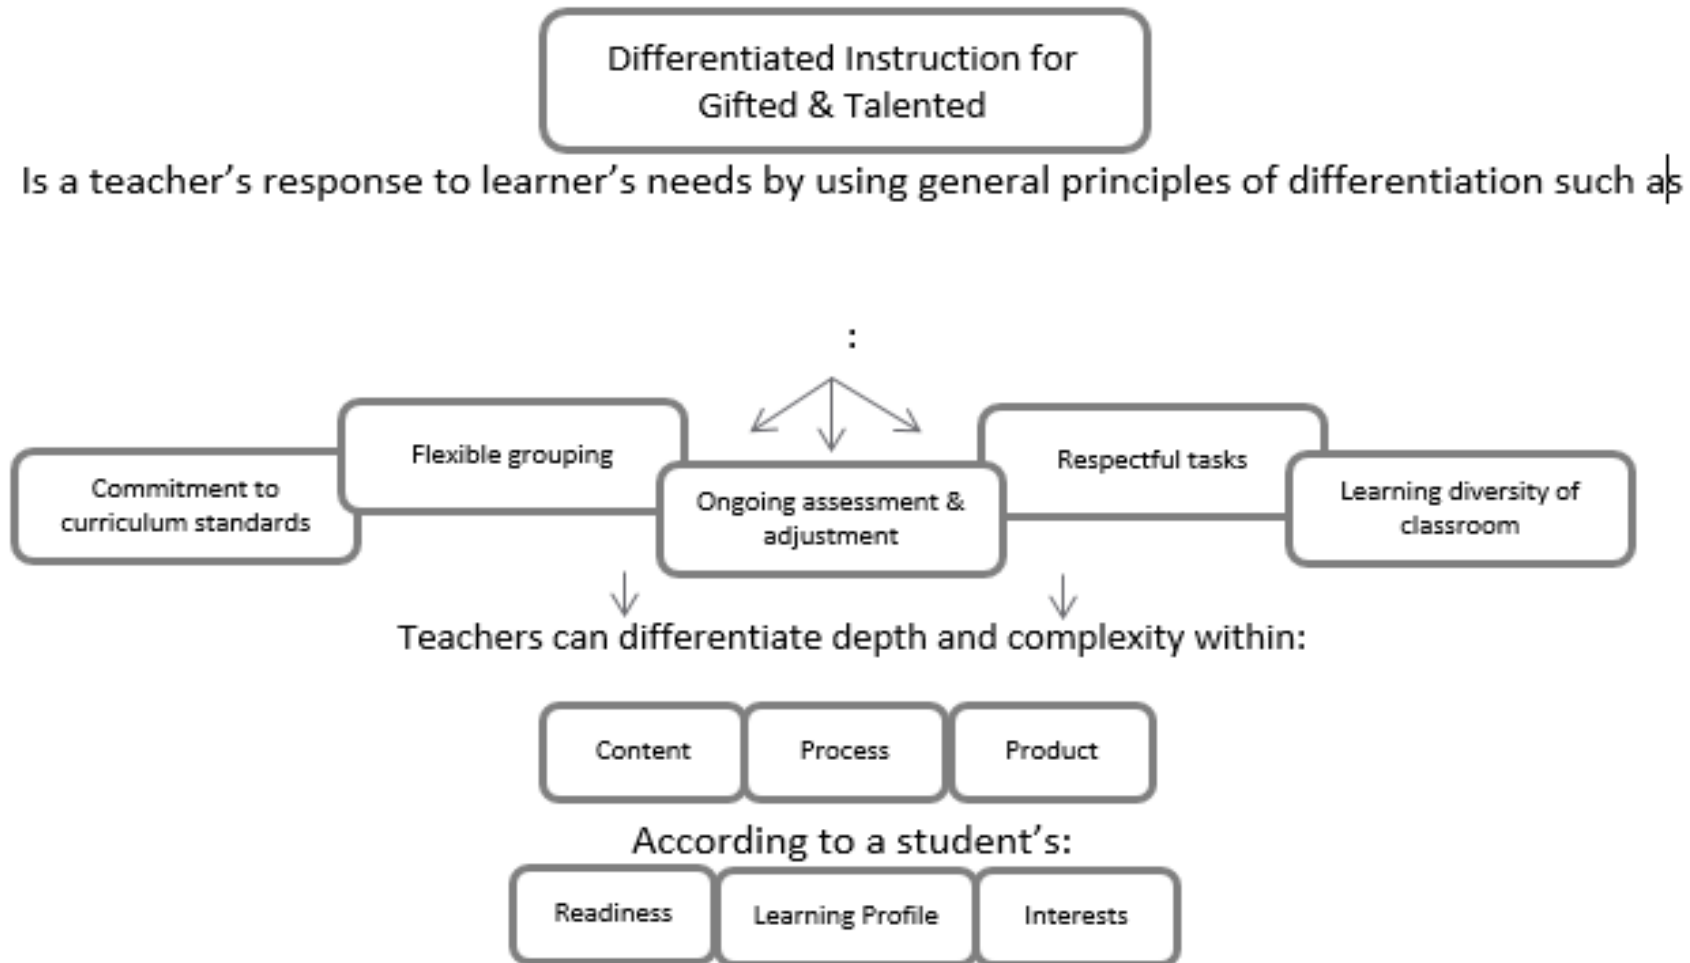

“... customizing instruction so every **gifted learner** experiences continuous learning.” (Bertie Kingore)

How do we Differentiate?

2P's	2 C's	2 F's
Pre-assessment	Choice	Feedback
Perky Pace	Challenge	Flexibility

Gentry, M. (2014). Total School Cluster Grouping and Differentiation: A Comprehensive Research Plan for Raising Student Achievement and Improving Teacher Practices (pp 100 – 105)

How do we Differentiate?

Cluster Grouping

- Gifted and Talented students are ensured opportunities to work together as a group, work with other students, and work independently during the school day as well as the entire school year.
- GT students are placed together for instruction in the appropriate content area(s) for which they have been identified in cluster grouping.
- Teachers are trained to adapt curriculum and instruction for their gifted learners.

GT Initiatives

Texas Performance Standards Project

Texas Performance Standards Project

The Texas Performance Standards Project (TPSP) provides GT students with an opportunity to share their in-depth knowledge of a topic of interest.

The TPSP is a required classroom learning experience for students in 1st-7th grade. Participation in TPSP in 8th - 12th grade is recommended.

GT Learning Plan

GT Learning Plan

The GT Learning Plan (GTLP) is a written record of gifted and talented programming utilized with each gifted child. and provides opportunities for students to develop academic and affective (social and emotional) goals.

The GTLP provides opportunities for students to develop academic and affective (social and emotional) goals that are monitored by the teacher and student.

Gifted and Talented Learning Plan: SMART Goals

- SMART goals describe the specific and measurable programming emphasis for annual learning and growth
- The areas selected as priorities for SMART goals are monitored through ongoing assessment.
- SMART Goals are linked to specific instructional strategies.
- Planning guide for making instructional decisions about materials, programming options and assessments for gifted students based upon strengths, interests, and social-emotional needs.

Goal Setting Timeline

- **August 19-September 13**
 - GTLP Goal Development and Initial Conference window
- **September 16-20**
 - Elementary GTLP Goals Draft Due
- **September 16-27**
 - Secondary GTLP Goals Draft Due
 - GTLP goals may be the same or an extension of campus goals
- **September 23-27:**
 - Parent Goal review/input: A GTLP collaboration/discussion opportunity
- **September 23-September 30**
 - Elementary and Secondary (grades 1-12) GTLP finalized with Parent Signature Due
 - Parents digital signature submitted through the Family Access Parent Portal in Skyward
- **October 3**
