8:30-9:15 a.m. in the cafeteria

Our Gifted and Talented students will have the opportunity to present their Texas Performance Standards Projects (TPSP). The students are presenting projects that capture the high levels of academic performance of gifted/talented students through independent research aligned with the Texas Essential Knowledge and Skills (TEKS). Each task provides guided instruction and opportunities for independent research in multiple content areas.

**Join us as we recognize and celebrate
the accomplishments of our GT students
