

SUPPORT THE SL95

DNA Research

Memorialization

Stewardship

"Honor. Remember. Uplift."

The Sugar Land 95 Memorial Project seeks to create a sacred space to honor their memory, educate future generations, and confront a painful chapter of our shared history.

Your support can help turn remembrance into action. Every contribution brings us one step closer to completing this powerful tribute to resilience and community transformation.

Principal Research Group

Funding Goal: \$300,000

Help to identify the Sugar Land 95 and their descendants.

Contributions to this effort will support the ongoing ancient DNA studies aimed to identify the cemetery population and connect them to living relatives.

Sugar Land 95 Memorial Project

Funding Goal: \$4.5 M

Support FBISD as it upholds the commitment to honor and memorialize those buried on the grounds of the James Reese Career and Technical Center.

Contributions will be directed to the construction of the Outdoor Learning Area and Memorial Cemetery.

www.fortbendisd.gov/sugarland95

Friends of the Sugar Land 95

Funding Goal: \$10K /Year

Contribute to the efforts to provide perpetual care for the historic cemetery. Contributions to the community nonprofit will support stewardship for site, and engaging community programming designed to educate.
