

MS. BATOOL'S MATH CLASS SYLLABUS

Math AAC | 7th Grade | Rm 714

COURSE OVERVIEW

7th Grade AAC Math is an accelerated course combining 7th and 8th grade standards in one year, preparing students for Algebra I. It requires dedication, independent learning, and active participation, focusing on mastering TEKS, strengthening problem-solving skills, applying math to real life, and building a strong foundation for high school math.

EXPECTATIONS

- 1 Be On Time – Arrive before the bell with your supplies and start your warm up first five minute of class.
- 2 Be Prepared – Bring your pencils and materials every day.
- 3 Be Respectful – Listen when others are speaking, no side conversations, and no profanity.
- 4 Follow all school rules, dress code, and classroom procedures.

GRADING POLICY

- Grading Procedure:
Major grades = 50% Daily grades = 50%
-exams -quizzes
-projects -homework
 -classwork
- Other Assignments: In order to provide the necessary feedback about learning, students will need to complete ALL assignments.

LATE WORK POLICY

Any assignment(s) submitted late (excluding absences) will not earn full credit. Per DCMS policy, 10 points will be deducted from the grade earned, for each day that the assignment is late (up to 3 days). Maximum 50 points can be deducted from the grade earned based on teacher discretion. All missing assignments will be marked as a "0%" and marked as "missing" in the Skyward gradebook.

SUPPLIES NEEDED

- ☐ (2) 1 subject college-ruled spiral notebooks, 11 in. X 9 in. , at least 100 pages in each.
- ☐ Pencil, Red Pen and Expo markers with eraser enough for a year.
- ☐ 2 folders with pockets
- ☐ 1 pack of copy paper
- ☐ 2 packs of wide rule filler paper
- ☐ Colored pencils and/or colored pens for notetaking.
- ☐ Tissue paper and wipes

Re-testing:

Students with test scores below 70 are required to complete a re-teach lesson and assessment. The highest grade that may be earned on a retest is a 75.

Students are not allowed to take a test or quiz before the assigned date.

Students will need to complete the test or quiz within 5 days of their return.

Missed Work

If a student is absent, it's their responsibility to get any assignments, notes, or important information that is missed. Most work will be posted in Schoology. Students have the same number of days of their absence to turn in their work without a penalty (FBISD policy). After that time, the late work policy will apply.

UNITS OF STUDY

Unit 1: Represent Real Numbers

Unit 2: Equations and Inequalities

Unit 3: Linear Relationships

Unit 4: Circumference & Area of 2-D Figures

Unit 5: Volume & Surface Area of 3-D Figures

Unit 6: Similarity and Transformations

Unit 7: Financial Literacy

AI GUIDELINES & POLICY

Do your own work – AI tools (Chat GPT etc...) may not be used for any class work assignments, homework, or assessments unless instructed otherwise. Using AI without authorization will automatically be considered as academic dishonesty.

Academic Dishonesty

This includes:

- Plagiarism
- Students copying each other's work
- Students sharing answers on assignments
- Cheating
- Any other dishonest way of completing work

Consequences:

- Students will get a 0 on the assignment.
- Students will complete an alternative assignment for up to 50 points.
- Parent/Guardian will be notified.
- Each situation will be assessed individually.

CONTACT INFO

I am here to help you succeed! If you have questions or need extra support, feel free to reach out during class, Tutorials, or via email. I encourage parents and guardians to contact me with any concerns or questions.
