

Welcome 

Welcome to a New and Exciting School Year in Spanish 1!

Dear Students and Parents,

My name is Adriana Stanescu, and I am thrilled to be your Spanish 1 teacher this year. I am eager to work with each of you as we explore the Spanish language and its rich cultures together.

I hold a degree in Architectural Design from the Universidad Central de Venezuela. Although my background is in architecture, my journey led me to discover a deep passion for education. Several years ago, I moved from Venezuela to Texas with my husband and two children, and I chose teaching as a way to give back to our new community.

Our Spanish 1 class will be fun and engaging, focusing on communication. We will develop skills in listening, speaking, reading, and writing through a variety of activities and cultural explorations. The course aims to meet the World Readiness Standards for Spanish Level I, ensuring a comprehensive learning experience.

Outside the classroom, I enjoy spending time with my family, traveling, camping in remote destinations, and running marathons. I am dedicated to providing a supportive and dynamic learning environment for all my students.

I look forward to a fantastic year ahead and to sharing my passion for the Spanish language and rich culture with you.

Warm regards,

Adriana Stanescu

Thank You
