

“Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only LOVE can do that.”

-Martin Luther King Jr.

In Celebration of Black History Month at AFE this February, we encourage everyone to demonstrate Random Acts of Kindness

It's important for us to constantly be reminded to be kind to one another and give others hope whenever we can.

Decorate a Heart

Families, work on this activity with your student. Students write in the heart a random act of kindness you have done for someone.

For example: You helped hold the door for a stranger, friend, or parent.

Decorate your heart with any supplies you have such as glitter, construction paper, stickers, drawings etc...

Please turn in heart and slip by February 10, 2023.

If you have any questions or concerns, please contact Karla Vargas, Parent Educator at 281-634-9776.
