Real stories of joy and growth
from our school community

Dear Parents and Families,

Welcome! I am thrilled to be your Parent and Family Engagement Liaison for this school year. It is my pleasure to serve as a bridge between home and school, and I'm here to help create a strong partnership that supports the academic, social, and emotional growth of our students.

I believe that when families and schools work together, our children thrive. My goal is to ensure that all families feel valued, heard, and empowered to be active participants in their child's education. Whether you have questions, need resources, or simply want to learn more about how to support your child at school, I am here to help.

Throughout the year, we will offer various events, workshops, and opportunities for you to get involved. I encourage you to stay connected, share your ideas, and let me know how we can best support your family's needs. Together, we can create an enriching and successful experience for every family.

Please don't hesitate to reach out to me for anything you need. I look forward to working with each of you and helping to make this year a great one for our students!

Warm regards,
Karla Vargas

Real stories of joy and growth
from our school community

Estimados padres y familias:

¡Bienvenidos! Me complace ser su Enlace de Participación de Padres y Familias este año escolar. Es un placer servir de puente entre el hogar y la escuela, y estoy aquí para ayudar a crear una sólida colaboración que apoye el crecimiento académico, social y emocional de nuestros estudiantes.

Creo que cuando las familias y las escuelas trabajan juntas, nuestros niños prosperan. Mi objetivo es asegurar que todas las familias se sientan valoradas, escuchadas y empoderadas para participar activamente en la educación de sus hijos. Si tienen preguntas, necesitan recursos o simplemente quieren saber más sobre cómo apoyar a su hijo en la escuela, estoy aquí para ayudarles.

A lo largo del año, ofreceremos diversos eventos, talleres y oportunidades para que participen. Los animo a mantenerse en contacto, compartir sus ideas y decirme cómo podemos apoyar mejor las necesidades de su familia. Juntos, podemos crear una experiencia enriquecedora y exitosa para cada familia.

No duden en contactarme si necesitan algo. ¡Espero trabajar con cada uno de ustedes y ayudar a hacer de este año un gran año para nuestros estudiantes!

Un cordial saludo,

Karla Vargas
