### STAAR TESTING REMINDER

Our students will be taking the STAAR test in the upcoming weeks. Students must remain on campus for the full school day to complete their exams.

We kindly ask that you limit early pick-ups, as we are unable to call students out of class during testing. Doing so may disrupt your child's test and others.

We appreciate your understanding and support.

**Campus closed to visitors during STAAR**

### TESTING TIPS

1. Make sure your child gets an ample, normal amount of sleep the night before the test
2. Mark testing days on your calendar to help remind you and your child when the testing will take place and plan your preparations.
3. The student should eat a nutritious and filling breakfast
4. Make sure the student is on time on the day of testing
