

WHAT COMES AFTER HIGH SCHOOL?

Are you a parent of a student with
disabilities between 14 and 22 years of age?

Do you and your young adult
have a plan for what they'll do
after high school?

Texas Workforce Solutions-Vocational Rehabilitation Services (TWSVRS) and **4 The Future Consulting Group** along with **Pre-Employment Transition Services** can help you and your student prepare a plan for life after high school.

Pre-ETS:

- Job & Career Exploration
- Work-Based Learning
- Post Secondary Counseling
- Workplace Readiness
- Self Advocacy

Your student can:

- Explore careers
- Become job ready
- Gain work-based learning experiences
- Earn a paycheck through paid work experience
- Learn about postsecondary education options
- **Become their own best advocate!**
