# Post-Secondary and SMART Goals

## Click Activities on left hand menu

- Select My Goals
  - By completing the Onboarding in August, you set your Career Goal and your Major/Training Goal.
- Click Future Path to select your Post-secondary goal
  - Select the option that you will pursue after high school
- Scroll down to SMART Goal area and click the button to Add a New SMART Goal
  - SMART is an acronym for Specific, Measurable, Achievable, Relevant, and Timely
  - Think of a goal for yourself for this year.
  - Follow the instructions to make a clear SMART Goal and fill in each part of SMART.
  - You can create more than one SMART goal for yourself – something to accomplish this semester and then something to accomplish in the Spring.

# Career Cluster Overview

A career cluster is a group of occupations with similar features. Clusters give you an easy way to explore different kinds of jobs within one broad category.

- Click on Activities on the left-hand menu
- Select Learning
- Click the module titled Career Cluster Overview Part 2
- Each career cluster has a short video to watch, then a short survey to answer.
- Per each Part - 8 short videos; 8 very short surveys
- 5-10 minutes

Make sure the Close Caption button  is selected so you can read what the video is saying (when laptop is muted)

- *If you did not find a cluster that interests you, Career Cluster Overview Part 1 contains the remaining 8 clusters for you to investigate.*

# Student Focus Assessment

The Student Focus Survey focuses on matching your motivations with post-secondary aspirations and mindsets.

- Click on Activities; select Assessments. Click Start Assessment button on the Student Focus tile.
- You will be matched with the mindset that most closely matches your results.

# Learning Style Assessment

The Learning Style Assessment uses your answers to a series of multiple-choice questions to evaluate how you prefer to learn and solve problems. Your results will provide tips for taking advantage of each of the types you prefer.

- Click Activities on the Left-hand menu; select Assessments.
- Click the Start Assessment button on the Learning Style tile.

# Update Your Profile and Create a Resume

**Locate your Name at the top of your SchoolLinks homepage and click to view your profile.**

- By updating your profile with your experiences, bragging points, academics, awards, etc. you are basically creating a resume.
- Once your profile is complete, you can click on the little page icon in the upper right-hand corner of your profile screen.
- Enter the requested information and click the button to download your resume.

# Set PSAT Goal

**You took the PSAT in October. Use your scores on that exam to set your goal when to retake the PSAT in 11<sup>th</sup> grade.**

## **Click School on left hand menu**

- Select Scores and Performance
  - In the SAT box, click the button to Add PSAT Goal score.
  - Your goal should be to increase your score in both sections. Save.

**If you are unsure how you performed on PSAT in October, login or create your College Board account so you can see them. Ask CCR for help if needed.**
