PROJECT GRADUATION (PRO GRAD)

ProGrad is a program offered by many high schools in the United States, in which parent-supervised activities are offered as part of a fun-filled party to honor and celebrate graduating seniors.

Project Graduation is a **"Lock-in" celebration** and emphasizes a **safe** and **secure environment** for graduating Seniors at **Andretti Indoor Karting and Games** which includes games, activities, food, entertainment, music, and prize giveaways. Typically, it **begins at 11 pm on a Friday night and ends at 6 am the next morning.**

We do **fundraisers** throughout the school year to reduce the cost of each Senior's ticket for the Andretti event. We'll have pizza sales and host other events to raise these funds.

We encourage parents of Seniors to **volunteer** for these events.
