

WELCOME TO

Small Animal Management

Hi! I am Ms. Wunderlich! This is my first- year teaching! I am recent graduate of West Texas A&M University, and I am currently pursuing a master's degree at Texas A&M! I love traveling and spending time with friends and family.

Let's make this a great school year!

THINGS TO KNOW:

- It is an Ag Class so you can join FFA!

-PLEASE BRING A COMPOSITION NOTEBOOK, pack of glue sticks, and hand sanitizer

FFA:

Since small animal management is an Ag class you will have the opportunity to join the Travis FFA Chapter!

We are going to dive much deeper into what FFA can offer you and will have some information posted in our schoology course as well.

CONTACT INFO:

Email: kayla.wunderliche@fortbendisd.gov
Conference: 4th Period

This course allows students to develop knowledge and skills in relation to small animals.

Students will get to explore multiple competencies related to animal science through this course, and will come out with basic knowledge & understanding of small animal anatomy.

TOPICS WE WILL LEARN ABOUT:

- FFA Review
- Benefits and Responsibilities of Companion Animals
- Animal Welfare
- Breeds of Small Animals
- Nutrition
- Small Animal Diseases and Parasites

2024-2025
