

Welcome

Welcome! My name is Shawna Moulton, your child's **Professional Communications** teacher this year.

I would like to welcome you and your student!

In this course, your child will develop skills in public speaking, communication and an understanding of personal image. In addition, they will learn to develop a healthy self-concept, healthy relationships, and learn to understand the concept of personal responsibility. They will develop an understanding of Emotional Intelligence and the skills it measures.

Our classroom operates under the unification of a class social contract. Each student has input on how the class functions and in how we treat each other. Such opportunities provide the students to operate in “real world” situations preparing them for a better life upon graduation.

As their Professional Communications teacher, I want to express my profound thankfulness for the opportunity to get to impact your child. I am available if you have any questions or concerns.

Sincere Regards,
