FBISD ATHLETICS MISSION/PROFILE OF A GRADUATE CHEERLEADING COMPOSITION AND SELECTION PROCESS

I. FBISD ATHLETICS MISSION/PROFILE OF A GRADUATE

- A. FBISD Athletics exists to inspire and equip student athletes with responsibility, values, sportsmanship and teamwork through participation in sports so they can pursue futures beyond what they can imagine. Cheerleaders will exhibit the FBISD Profile of a Graduate, including being a servant leader, a compassionate citizen and a collaborative team member.

II. COMPOSITION OF THE SQUAD

- A. Varsity Cheerleaders will be selected by a method outlined later in this document. There will be no more than fourteen (14) persons on the varsity squad. Eligibility shall be open to girls and boys of current freshman, sophomore or junior standing at the school where student is currently enrolled.
- B. Students with appropriate documentation confirming transfer approval must participate in tryouts with the school to which they are transferring.
- C. Mascot will be selected by method outlined later in this document. There will be no more than two (2) persons holding this position. Eligibility shall be limited to girls and boys of current freshman, sophomore and junior standing.
- D. Junior Varsity cheerleaders will be selected by methods outlined later in this document. There will be no more than twelve (12) persons on the JV squad. Eligibility shall open to girls and boys of current freshman, sophomore or junior standing or in the 8th grade feeder pattern school for which the tryouts are being held. 8th graders only qualify to participate on the JV squad.
- E. The Coach may appoint managers. There will be no more than two (2) managers on the varsity squad. Eligibility shall be limited to girls and boys of current sophomore and junior standing, preferably with some knowledge of cheerleading. Managers are not to participate in any role of a cheerleader.

III. SELECTION PROCESS

A. QUALIFICATIONS

1. Cheerleaders, mascot, and managers must meet and maintain University Interscholastic League and District academic eligibility standards.
2. Candidates must be on credit schedule to meet graduation requirements (2 1/2 - Freshman, 7 1/2 - Sophomore, 12 1/2 - Junior) and may not have received more than a total of two failing grades on the first (T-1) and second (T-2) nine weeks grading reports of the current school year. Failing semester grades and failing grades in approved advanced placement classes for eligibility do not count against the students allotted two failing grades.
3. If a candidate receives more than two “needs improvement” or “unsatisfactory” grades in conduct for the current school year through the second nine weeks, the student is ineligible to try out for cheerleader or mascot.
4. Students must have shown compliance with compulsory attendance laws.
5. Cheerleading clinics and tryouts shall be held during a window of time that would include the last three weeks of the third nine weeks or the first three weeks of the fourth nine weeks of the school year. Sign-ups and meetings may start before then but the actual clinics and tryouts will be held during the designated window described above.
6. Candidates must sign up for tryouts during a time period designated by the Coach.
7. Candidates must receive and sign for tryout packets at an organizational meeting called by the Coach or at an individually set meeting.
8. A training clinic will be conducted at a time determined by the Coach. All candidates should make every effort to participate.
9. New candidates must submit physical examination paperwork by a medical doctor before the tryout clinic. The District reserves the right to require a new physical examination when deemed necessary.
10. Further qualifications involving tryout procedures, standards of conduct, participation and uniforms may be required by the Coach, with the written approval of the Principal.
11. Each candidate will be required to have the Administrative Seal of Approval signed before having the opportunity to try out. (See page 23)

IV. METHOD OF SELECTION

A. On an announced day, all qualified candidates will appear before a screening committee with the following rules:

1. The screening will take place at a Central Athletic Facility. Schools will tryout in the order established by graduation each current school year. Each school's screening is closed to the public. Results will be released after the completion of all high school's tryouts on a date determined by the Director of Athletics.
2. The committee will consist of at least three impartial professional judges selected by the Director of Athletics from outside the school district.
3. All candidates will appear before the committee in the designated uniform.
4. Candidates who are current cheerleaders will not demonstrate or be recognized in any fashion as current cheerleaders.
5. Cheerleader candidates will perform a specified sequence consisting of items listed on the tryout scoresheet.
6. Mascot selection will take place during the fourth nine weeks after finalization of cheerleader tryouts. Tryouts will be held on campus and will be judged by a panel of no fewer than three members selected by the Director of Athletics. Mascot candidates will perform a maximum of a two-minute routine consisting of skits, mime, pantomime and dance. No routine may be more than one-half dance. All routines must be within school standards.
7. Cheerleader candidates will be allowed to provide video for judges' evaluation if they are unable to perform all required activities due to injury. The candidate must provide a physician's letter explaining the specific injury and restrictions prior to beginning the try out. They must complete all aspects of the program not restricted by the injury and identified in the physician's letter. The video must not show candidates as current cheerleaders in any way. The video must be certified to have been created within the past twelve months.
8. A tryout packet will be provided to all candidates. The packet will include clinic information, sample scoresheet with detailed tryout sequence information and cheerleading handbook. Schools may present other pertinent information in this packet.
9. Due to federal privacy laws protecting student records, a student or parent may not view the evaluation forms of other participants.
10. A tiebreaker system will be utilized when necessary to break ties when it involves making the team or determining alternates. The tiebreaker will consist of taking the scores from the candidate's first tryout, specifically

scores from: entrance, voice projection, jumps, motions, and overall impression. If after tabulating the scores that one candidate has a higher score than that candidate will receive .5 points to break the tie. If after the tiebreaker, scores are totaled and we still have a tie the candidates will then be brought back out to perform for the judges again and will be scored on entrance, voice projection, jumps, motions, and overall impression. (See tiebreaker score sheet at end of handbook)

CHEERLEADER DISCIPLINE POLICY

I. DISTRICT RULES

- A. All cheerleaders are expected to follow all the rules of conduct as outlined in the Fort Bend ISD Student/Parent Handbook, including the Extracurricular Policies, Fort Bend ISD Student Code of Conduct, and other rules that may be developed by campus Cheer Coach.
- B. Cheer Coaches are responsible for enforcing the cheerleader discipline policy fairly to all cheerleaders.
- C. The discipline Policy does not replace or supersede the Fort Bend ISD Discipline Management Plan.
- D. These rules apply to all cheerleaders/mascots at **all** times during their elected term. The cheerleading season begins on the day teams are announced and ends on the day of the last event as defined by the coach.

- E. The following rules of conduct for participants in FBISD school-Coached extracurricular activities apply 24 hours a day, seven days per week during the current season:

Loss of Privilege – Deferred Adjudication, Probation, Felony or Class A Misdemeanor

A student in grades 6 through 12 may lose the privilege of participation in extracurricular activities during any period of deferred adjudication or probation. Middle school Counselors will assist Cheer Coaches in obtaining a release of related documentation. A student in grades 6 through 12 shall lose the privilege of participation in extracurricular activities during any period of:

- While under indictment for a felony; or
- While awaiting a final determination of guilt or innocence in connection with either a felony or any offense punishable as a Class A Misdemeanor, whether the felony or offense was committed on or off campus

Loss of privilege – Selling or Delivering

Selling or delivering marijuana, alcohol, a controlled substance, a dangerous drug, abuseable glue, aerosol paint, or any other mood-changing, mind altering, or behavior affecting drug is strictly prohibited and will result in elimination from further participation in all extracurricular activities for:

- First Offense: one calendar year.
- Second Offense: for the remainder of the student's school career.

Loss of Privilege – Suspension, AEP, Expulsion

A student in grades 6-12 shall lose the privilege of participation in extracurricular activities during any period of suspension, placement in disciplinary Alternative Education Program (AEP), or expulsion

Other Removals

The following infractions are strictly prohibited:

- Using, possessing, or being under the influence of marijuana, a controlled substance, a dangerous drug, abuseable glue, aerosol paint, or any other mood-changing, mind altering, or behavior affecting drug;
- Using, possessing, or being under the influence of an alcoholic beverage;
- Using or possessing tobacco products, including vapor pens, electronic cigarettes, etc.
- Theft or stealing;
- Engaging in lewd, disruptive, or other offensive conduct that affronts school district standards of propriety; and

- Cheating or academic dishonesty.

Upon the administration's determination that a FBISD student participating in a school-Coached extracurricular activity has violated any one of the infractions identified above, at **Other Removals**, the student shall lose the privilege of further participation in that activity as provided below:

- **First Offense** in student's attendance in FBISD (measured from grade 6): **10** hours of approved community service and **20%** suspension from active participation in any/all FBISD extracurricular activities. If the offense occurs when the student is not actively participating, the suspension shall apply beginning with the next period of participation following the offense. If the student is involved in more than one activity, the suspension shall apply to all activities concurrently. The student shall not serve more than one 20% suspension for the first offense. During the suspension, the student must attend all practices to maintain team status.
- **Second offense** in student attendance in FBISD (measured from Grade 6): **20** hours of approved community service and **40%** suspension from active participation in any/all FBISD extracurricular activity. If the offense occurs when the student is not actively participating, the suspension shall apply beginning with the next period of participation following the offense. If the student is involved in more than one activity, the suspension shall apply to all activities concurrently. The student shall not serve more than one 40% suspension for the second offense. During the suspension, the student must attend all practices to maintain team status.
- **Third Offense** in student attendance in FBISD (measured from Grade 6): the student shall be suspended from further participation for one calendar year.
- **Fourth Offense** in student attendance in FBISD (measured from Grade 6): the student shall be eliminated from further participation in all activities for the remainder of his/her school career. A student may be referred to counselors, as appropriate. A student or parent may appeal the student's loss of extracurricular privileges through FBISD Board Policy FNG.

Upon determination of a student's removal from participation in school-Coached extracurricular activities, the student's Coach will communicate to the student and the student's parents the terms of the removal. Additionally, the Coach will notify the campus Principal and the District Athletic Director in writing of the terms of the removal.

A student may be referred to counselors, and/or drug and alcohol education programs, as appropriate. A student or parent may appeal the student's loss of extracurricular privileges through FBISD Board Policy FNG (LOCAL).

If a member of the current cheer squad is removed from the team after tryouts, he/she will forfeit their position for the following year as well. If a candidate makes the squad and later chooses not to be on the squad, he/she also forfeits tryouts for the following year. He/she will only be able to tryout subsequent years after the forfeited year has been served and the student did not incur an ISS or OSS related consequence.

In addition to the rules of conduct specified in the Conduct Rules section, students who participate in extracurricular activities shall comply with the following rules at all times, on or off campus, regardless of whether school is in session:

- Show respect for FBISD officials and staff;
- Participate in every practice, competition/performance and event required by the Cheer Coach, unless the coach has granted an excused absence;
- Arrive promptly, properly attired, for every practice, competition, etc., unless the Cheer Coach has granted an excused absence;
- Adhere to the grooming standards described below at the section titled "Dress Code";
- Demonstrate sportsmanlike behavior;
- Demonstrate a positive attitude; and
- Be courteous and polite to others.

Failure to meet these and other expectations may result in disciplinary action at the coach's discretion.

Notice: Participation in fundraising activities for an extracurricular activity does not guarantee selection for the team or extracurricular activity. An assignment to an athletics class does not ensure final selection onto any team.

I. DEMERIT RECORD STRUCTURE

1. The record will be established for all cheerleaders, both varsity and junior varsity.
2. The record will record infractions from the date of team selection until the end of the current season, as identified by the Cheer Coach.
3. Demerits cannot be worked off or retracted.
4. The record will be maintained solely by the Cheer Coach and must be kept confidential. A cheerleader may view his/her own record. Coaches may choose to use an alternate method of record keeping such as digitizing the demerit record.
5. When a demerit is recorded on the record, the Cheer Coach will initial the entry and ask the cheerleader to do likewise.
6. When a cheerleader receives a total of 5 demerits, the Cheer Coach will personally counsel with the cheerleader.
7. When a cheerleader reaches a total of 10 demerits, the cheerleader will be placed on notice and the Coach will notify the cheerleader and his/her parent/guardian.
8. The notice status will be documented in writing by the Coach and signed by the Principal. The notice statement will be provided to the parent or guardian.

9. When a cheerleader reaches a total of 15 demerits, he/she will be suspended for a 3-week period. The cheerleader is prohibited from performance activities and wearing uniforms. They will continue to practice.
10. The suspension status will require the Coach to meet with the cheerleader and his/her parents with a campus administrator present. The suspension will continue until the meeting takes place.
11. If a cheerleader accumulates 20 demerits, the cheerleader will be dismissed from the cheer squad. A written notice and copy of the demerit record will be prepared by the Cheer Coach and signed by both the Cheer Coach and Principal. A copy of the notice will be given to the student's parent or guardian, with a copy sent to the District's Athletic Director.

III. What earns a demerit?

Offense	Number of demerits	Other information
ISS (In-School Suspension)	4	Earned per day in ISS
OSS (out of School Suspension)	5	Earned per day in OSS
Detention (After school/ Lunch/ Saturday)	2	Earned per day in detention.
Unexcused Absence	5	Per absence
Excused Absence	2	Starting after the 6th excused absence
Stunting without coach's approval	5	Per stunt
Inappropriate online presence	10	Per post
DAEP	20	Automatic removal from squad

In addition to discipline consequences available under the Fort Bend ISD Discipline Management Plan, demerits may be issued for the infractions listed above. An assessment of demerits does not supersede or replace the discipline consequences available under the Fort Bend ISD Discipline Management Plan.

IV. ADDITIONAL DISCIPLINE

In addition to demerits issued for infractions, the Coaches may administer additional discipline at their discretion for infractions listed and not listed, including those that do not warrant receipt of demerits. Ex: Late to practice or event, uniform violations, wrong practice clothes, failing grades, failure to return paperwork, etc. The coach will provide the expectations at the start of the season but may add to them when necessary.

Non-demerit discipline may include but is not limited to:

- removal from part or all of a game or event
- physical consequences such as running laps, push-ups, etc.
- additional painting or other spirit assignments
- clean-up duty
- extra equipment duty (carrying megs, signs, flags, etc.)

V. GRIEVANCES

Grievances should always be addressed first with the coach. If no resolution can be reached, other campus staff may need to be involved. Always follow the proper chain of command when attempting to address a problem:

1. Coach
2. Campus Athletics Coordinator over Cheerleading
3. Campus Administrator over Cheerleading
4. Campus Principal
5. District Athletics Office

COVID-19 ADDENDUM

I. ATTENDANCE

- A. By trying out to be a cheerleader, candidates acknowledge that it is their responsibility to attend all mandatory events as outlined in the handbook if they are placed on the squad. Being a virtual student does not excuse the cheerleader from face to face cheerleading obligations including but not limited to practices, games, competitions, pep rallies, and camp.
- B. District mandated quarantines are excused absences and will not be counted toward the excused absence total for demerits.
- C. All other COVID-19 related absences must be communicated in advance and reviewed by the coach. Determination of whether the absence will be excused is up to the discretion of the coach.

II. TRYOUTS

- A. Grading policy – Students who have more than two failing grades across T1 and T2 but have improved their grades for S1 and T3 can request to be allowed to try out. In these cases, the campus coach and principal may review the candidate’s grades and behavior to determine eligibility to try out
- B. Due to the COVID-19 pandemic, the tryout procedure will be altered to minimize potential exposure risks. See the COVID tryout policy below for updated policies.

COVID-19 TRYOUT POLICY

Tryout Clinics

1. Tryout clinics will cover and teach all tryout material.
 - Entrance
 - Jumps
 - Cheer
 - Dance
 - Tumbling
2. The final day of clinic will be a mock tryout.

COVID Mitigation:

- Candidates may choose not to attend clinic for safety reasons. In this case, they are responsible for learning all material through the

posted videos, and they acknowledge that they are giving up access to personalized feedback.

- All candidates must complete the Skyward wellness checker before clinics each day and will have their temperature checked upon arrival.

Tryout Procedure

1. Submission Requirements

- Tryouts will be submitted as recordings. All submissions must be recorded on campus as designated by the coach.
- Candidates may only record one time.
- Recording must begin with the candidate's number being held up for the camera.
- Submissions must be one continuous video with no breaks.
- Recordings must be uploaded titled as the candidate number before they leave the school property. If joined with a google account, the candidate's google account name should be temporarily changed to their tryout number until after the team is announced. (Job aid provided to Cheer Coach)
- Candidates must submit the video that they recorded on campus. Submission of any other video will result in disqualification.

2. Campus Recording Procedure

- Candidates will be assigned recording times every 15 minutes based on their randomly drawn tryout number.
- Candidates may arrive no more than 10 minutes early to warm up.
- Only the candidate may enter the building (no family, friends, etc.)
- Each 15 minute window is split into 10 minutes of time in the recording space and 5 minutes for sanitizing after each candidate.
 - The 10 minutes in the recording space can be used however the candidate would like, but candidates can only record one time.

COVID Mitigation:

- Candidates under district mandated quarantine for their original tryout date will be provided an opportunity to record their submission once their quarantine has ended and the student has been cleared to return by the district.
- All candidates must complete the Skyward wellness checker before clinics each day and will have their temperature checked upon arrival.

3. Tryout Procedure

- The tryout must follow the following order:
