

FAQs

Everything You Need to Know for Senior Portraits

What's Included in My Session Fee?

Your session fee includes your time in front of the camera. Prints, packages, and wall art are an additional charge. Retouching is included with Elite and Most Popular sessions.

What Makes Senior Portraits Different?

Senior year is a huge accomplishment, and this life event should be celebrated with photography. CADY is the only photography company with state-of-the-art studios built exclusively to celebrate seniors. Whether you want just a quick scene or the full experience with a private photographer, hair and make-up styling, and destination photography, your senior portraits will be a memorable experience.

How Do I Prepare?

Once you've booked your session, it's time to decide what you're going to wear. Show off your personality and what makes you unique. Make sure your hair is cut, and nails are trimmed or painted before your session. Get plenty of rest so you look your best in front of the camera.

When Do I Take My Cap & Gown Photos?

For your convenience, we will take your Cap & Gown photos during your senior portrait session. Cap & Gown photos are typically released for purchase in the spring closer to graduation. Cap & Gown prints, packages, and retouching are not included in your senior session fee.

Will CADY Come to My School?

Some schools offer on-campus sessions, which we call Roadshows. Roadshows cover the basics but have a limited scene selection. For the best experience, we recommend booking a session at one of our studios.

What About My Yearbook Photo?

All sessions include a yearbook photo. To select your yearbook photo log in to cady.com/account.

Do I Need to Bring My Own Cap & Gown, Pearls, and Tux?

Nope! We will provide everything you need for these scenes—cap, gown, tassel, tuxedo, shirt, bow tie, drape, and pearls.

Tux: bring a white undershirt

Drape: bring a spaghetti-strap or strapless tank

Traditional, Most Popular, or Elite?

If you want quick and easy, a Traditional session is right for you. If you want a few scenes, and an Outside the Studio scene, you'd love a Most Popular session. If you want to go all out with a private photographer, hair and make-up styling, all the scenes, and a Choose Your Destination scene, an Elite session is the way to go.

What Do I Bring?

Your photos should showcase your personality, so bring what is most special to you. Friends and family, pets, and props that reflect your interests. For more ideas check out cady.com/sessionprep.

How Do I See My Photos?

Once you complete your session, your senior portraits will go through processing before they are available for viewing. Traditional sessions include printed previews of all your images, delivered by mail in a portfolio display, which is available for purchase and not included in your session fee. If you select an Elite or Most Popular session, you'll return to the studio for a private Photo Presentation, with one of our Experience Ambassadors walking you through your portrait and print options.
