MADDEN ELEMENTARY

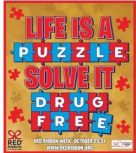

OCTOBER 2025

October is Bully Awareness and Prevention Month!

October is Bully Awareness and Prevention Month! At Madden Elementary, we believe every Huskie has the power to make a difference. To help prevent bullying at Madden our students will identify and safely stand up to bullying and learn how they can handle conflict with their peers.

Our teachers are creating strong, supportive classrooms where everyone's voice matters and kindness comes first. During guidance lessons students will learn techniques on how to help someone who is being treated unfairly or in a rude manner and also the steps that they should take to report someone who is being cruel to others.

Bullying hurts—but together, we are stronger than bullying. At Madden, we take care of one another, we speak up for what's right, and we are proud to say: **We are Bully-Free Huskies!**
