October 25, 2024

Mrs. Jakubik, College and Career Readiness Advisor

What is the TSI?

- It's a test that shows that you are college ready
- If you're attending a public college, university or trade school in Texas, you **MUST** take the TSI
- You can exempt from the TSI if you score:
 - SAT: 480 on English, 530 on Math
 - ACT: 40 on Reading, 22 on Math
- If you're a December grad, please sign up ASAP

Sign up to take the TSI November 14!

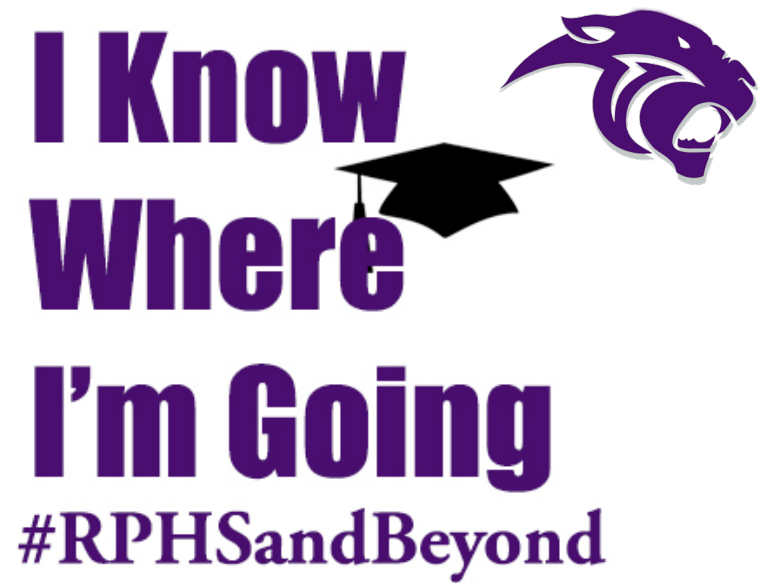

So How Do I Pay for All of This?

- Remember your scholarship homework?
- Once you've earned a scholarship, upload it into SchoolLinks
 - Y'all have already earned \$1.5 MILLION DOLLARS!
- The FAFSA will open on December 1
 - We will host an online workshop on November 13 for you and your parents
- All seniors are required to complete the FAFSA, TASFA or opt-out form and provide proof to Mrs. J in SchoolLinks by January 10
 - If you're graduating in December, I need this by NOVEMBER 1
- Visit studentaid.gov now and create your account. You will need your social security number before you can create your FSA ID

I Know Where I'm Going

- When you've decided where you will be taking their next step, RPHS wants to celebrate YOU!
 - This pertains to college, trade school, military or workforce!
- If you already know where you'll be next fall, scan the QR code to complete this form by Friday, May 9, 2025 in order to be recognized on the I Know Where I'm Going Wall and on social media (optional)

Do you still have questions?

- That's OK!
- How do you get them answered?
 - Review Mrs. J's website
 - Come visit Mrs. J in the CCR Center (K145)
