

Fort Bend ISD

New Student Online Registration

Beginning June 1, 2014

5 Easy Steps

For students who are:

New to FBISD

Or Returning to

**FBISD from another
school district**

step 1

To complete online registration, you must have an email address. If you do not have an email address, there are a number of free, web-based email systems that allow you to quickly create an account.

Options include: Gmail • Hotmail • Yahoo! Mail

step 2

Log on to *Fortbendisd.com* and select the **New Student Registration** button to access the registration portal. Please have your email address username and password available before beginning this process. You may use your home computer or a computer available at the front office of an FBISD school.

step 3

Complete the online enrollment application, entering all information as required.

step 4

Contact your zoned campus to verify your address and set up an appointment to complete the enrollment process. Campus Contact information can be found on the FBISD website or the back of this flyer.

step 5

Gather the following required documents and take them with you to your enrollment appointment:

- Birth Certificate or its equivalent (for students younger than age 12)
- Immunization records
- Proof of residence, including a deed, current lease or mortgage agreement
- A recent utility bill (water, gas, electric)
- A Student's social security card (will be requested) or a state assigned ID number and
- A government issued photo ID of the student's parent or guardian, which provides their FBISD address (TX Driver's License/ID Card)
