

Ms. Steinkamp 6th Grade Math

sara.steinkamp@fortbendisd.gov

281-634-3811

Term Grades:

- **Daily grades, 50% of term average:** quizzes, daily activities, independent practice completion. *At least nine daily grades recorded each nine weeks.*
- **Major grades, 50% of term average:** tests and projects. *At least three major grades recorded each nine weeks.*

Supplies:

- One Subject 9 by 11 inch, 100 page Spiral (*This is not the standard spiral.*)
- Glue
- Loose leaf notebook paper
- PENCILS
- Scissors
- Highlighters
- Colored pencils
- Tissues

- FBISD's gradebook program
- Link: <http://www.fortbendisd.com/family-access>
- If you have not already, please contact the front office about Skyward Family Access. *I highly recommend the Skyward Mobile Access app.*

schoolology® /skoo-luh-jee/

- FBISD's new LMS (learning management system).
- Please plan to use Schoology as a tool to keep up with assignments for our class.
- I will post all notes, exit tickets, upcoming quizzes and tests dates, and other class resources on Schoology.
- District link with help on how to navigate Schoology: <https://www.fortbendisd.com/Page/83209>

6th Grade Math At-A-Glance

Term 1 –

- Rational Number Operations

Term 2 –

- Rational Number Operations (continued)
- Ratios and Rates
- Percentages

Term 3 –

- Multiple Representations
- Equations and Inequalities

Term 4 –

- Geometric Application of Equations
- Data and Statistics
- Financial Literacy

Homework

- Students will have homework most days to help prepare for successful performance on quizzes and tests. This work could consist of a Schoology or paper assignment.
- Consistent practice of math skills is important. We will start the homework in class, but they might need to finish at home. They will receive a daily grade each two weeks for their homework.
- Students need to show work to support their answers on their assignments.
- Students can access homework through our Schoology course.

Home of the Gators, where we OWN what we do, and GRIT gets us through.
