

From Ms. Ayala

Dear Students,

It is a great pleasure to have the opportunity to work with you this year! I am truly excited to make this a fantastic academic year and show you that anyone can be good at math. Please feel free to contact me with any questions or concerns. I respond to emails and return calls between 8am—5pm Monday through Friday. Working together, we are sure to have a great year!

Thank you,

Ms. Ayala

LISTEN TO THE MUSTN'TS, CHILD.
LISTEN TO THE DON'TS.
LISTEN TO THE SHOULDN'TS,
THE IMPOSSIBLES, THE WON'TS.
LISTEN TO THE NEVER HAVES,
THEN LISTEN CLOSE TO ME...
ANYTHING CAN HAPPEN, CHILD.
ANYTHING CAN BE.

BY SHEL SILVERSTEIN

7th Grade Curriculum

Units

- Rational Numbers
- Proportional Relationships
- Linear Relationships
- Equations and Inequalities
- Similarity
- Geometry: 2D Figures and 3D Figures
- Data, Probability, and Statistics
- Financial Literacy
- Algebra Readiness

7th Grade PreAP Curriculum

Units

- Real Numbers
- Proportional Relationships
- Similarity and Transformations
- Linear Relationships
- Equations and Inequalities
- Geometry: 2D Figures and 3D Figures
- Data, Probability, and Statistics
- Financial Literacy
- Geometric Concepts

Grading Scale

The Fort Bend Independent School District
Grading Scale is:

A: 90 - 100
B: 80 - 89
C: 70 - 79
F: 0 - 69

Welcome to Ms. Ayala's Class!

Ms. Ayala's Classroom Policies

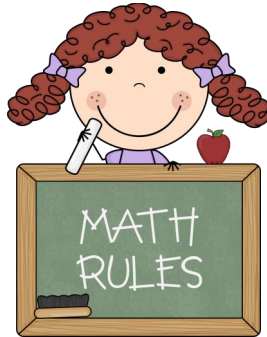

Homework Policy

I assign homework every day Monday through Thursday and occasionally on weekends, if there is a project or test for which students need extra study time.

Home practice of skills is very important.

All work must be shown or you will get no credit (F). I grade on completion, not

correctness for most assignments so get that easy A! (Please do not use calculators unless instructed to do so.)

Textbook

We use the textbook often so make sure you bring it to class! You can leave it in Ms. Ayala's classroom if you want, but you do not have to. You can access the online textbook at <https://clever.com/> or <https://my.hrw.com/>.

Username: fbisd##### (lunch #)

Password: ##### (lunch #)

Materials

Please come to class each day prepared with pencils, paper, textbook, and math notebook (composition or spiral). You may also want to keep highlighters, glue, scissors, and colored pencils with you.

Tutorials

We will hold morning tutorials 8:10-8:50am. You are responsible for your own transportation. You can attend tutorials with any 7th grade math teacher.

Please come prepared with questions and any materials you need help with.

Monday morning: Mrs. Kelley

Wednesday morning: Mr. Smith and Ms. Thomas

Thursday morning: Ms. Largent

Friday mornings: Mrs. Green and Ms. Ayala

Assessment Policy

We have regular quizzes and tests during units to assess learning. Prior notice and study topics will be given for tests. 7th grade math uses Progressive Testing which means that each test within a 9 weeks will contain review material from the previous test. The score, if higher, will replace the one previous test.

Class Rules

Students are expected to follow all classroom and school rules. My classroom has three simple rules:

- 1) Be respectful in our words and actions.
- 2) Bring all materials to class daily.
- 3) Be problem solvers.
