

QVMS
Fort Bend Computing Coding Club

Read the entire form and fill out all areas.

I am pleased to announce the Fort Bend Computer Coding Club (FBC3) is back. The fall meetings will be spent learning coding using Scratch, attending a Scratch competition, and building robots to use in the spring. The spring will focus on programming our robot preparing for the district robotic challenge. More information on this as we receive the details from the district. Coding Club will take place in room 324. FBC3 applications are available for students of all grade levels. We only have availability for 20 students and students that were in coding and robotics last year will get a 1st preference as they have prior knowledge of the software and programs needed for competitions. Acceptance criteria will also be based on student conduct in outclass and in homeroom classes as well as the completion of the application. Please be aware that any inappropriate behavior in class or in after school coding club could lead to the removal of your student from club participation.

Coding Club Expectations:

- ❖ Students will attend each after school meeting with no more than 2 absences or 2 late pick-ups for the year.
- ❖ Students must respect their classmates, as well as the equipment in Ms. Smith's class.
- ❖ Students must be prepared to try their hardest, have a positive attitude, and take pride in their work.
- ❖ Students must listen and follow directions, and show self-control and focus.

Parents: All students must be **picked up at 5:30** at the car rider area. Please stay in your car and come through the line. No student may attend without a signed permission slip from a parent. This form must be signed **by a parent** and turned in by **Friday 11-30-18**. Please remember, attending a Coding Club meeting is a ***privilege***, not a right. Unacceptable behavior may result in the student having to leave. Parents will be called to pick up their child.

When: **Every 3rd and 4th Tuesdays of each month from 4:30-5:30.** Our 1st meeting will be December 11, 2018. Other meeting dates will be announced at a later date.

Where: Meet at dismissal in room 324.

Please keep this page for your records and have your child return the 2nd & 3rd pages of the application no later than 3:25pm on November 30th to Ms. Smith in room 324.

******NO LATE APPLICATIONS WILL BE ACCEPTED******

******All applicants will receive a letter by November 30th, notifying if they have been accepted into the club or not. ******

QVMS Fort Bend Computing Coding Club Teacher Recommendation

Applicant: _____ Grade: _____

Please take home and fill out the following application and return it your teacher for him/her to complete the reference on the back of this page by November 30th. Teachers turn in to Ms. Smith's box or class (Room 324). You will need to get two teachers to fill out the form. It is up to you to make as many copies as needed.

Teachers, please evaluate the applicant in each of the following categories. **Please do not rate someone a 4 or 5 if they are a discipline problem or not motivated.** N's or U's on the report card mean they cannot be a part of the coding club.
