

SEPTEMBER

Counselor's Corner

Brazos Bend Elementary

September is in full swing, and our school year is rolling full speed ahead! 🚀 This month, we're exploring why rules are super important and how self-discipline is like a secret superpower that helps us make great choices. I'll be teaching lessons in my Counselor Classroom AND popping into classrooms too. Can't wait to learn and have fun together! 🍎

Focus of the Month: Q

Making Good Choices

Rules are important because they help keep our classroom safe and organized. When we follow the rules, it's easier for everyone to learn and have fun. Self-discipline means making good choices, even when it's hard, and it helps you grow stronger every day!

Wellness Tips: ❤️

Staying Organized

Being organized is like having a superpower! It helps school feel easier and way less stressful. You can set up a special study spot (like your own little office), use a planner to keep track of homework, and turn big assignments into small, easy steps. A little organization can help you feel like a schoolwork superhero!
