

# **GT UPDATE: COMPASS FOR COMPLEXITY**

(Mandatory - 3 hour GT update course)

## **COURSE DESCRIPTION**

Take your instruction to the next level with Compass for Complexity - an interactive session designed to help teachers integrate the Depth and Complexity framework into daily teaching. This course offers practical strategies and creative approaches to enrich learning for gifted learners.

## **COURSE INFORMATION**

Course Code: GIFT0763

Face-to-Face ONLY

3 Hour Course

## **ADDITIONAL INFORMATION**

Three hours of GT Update credit have been approved for the required 14 hours of summer professional development courses.

The six-hour GT update credit will be earned by completing the mandatory course as well as the 14-hour professional development course during the summer.

**Registration opens April 17th.**

**No optional courses will be offered this summer!**
