

# Next week in Third Grade

Week of September 2nd thru 5th

**Reading:** Students will continue to read a fiction text and focusing on the setting (location, mood, atmosphere)

**Writing:** Students will begin brainstorming ideas for their personal narrative.

**Math:** Students will represent and solve one-step and two-step word problems using a variety strategies.

**Social Studies:** Students will learn about historical figures to understand how they exemplified good citizenship

**Science:** Students will write explanations with all the information they have gathered, it is time to start answering our focus question: "How can we observe, measure, and test the physical properties of matter?"

•
