Thank you for your support!

What we are learning:

*Reading/ELA: The readers will learn that reading moves from top to bottom and left to right with a return sweep.

* Writing: The writers will write their ideas.

* Math: The students will read, write, represent numbers from 0 to 10.

* Social Studies: The students will learn about Labor Day and authority figures in the home, school, and community.

* Science: The students will learn how to use their five senses to identify the observable physical properties of objects.

Reminders:

Please send a nutritious snack that is easy to eat to school with your student. All snacks must be peanut free. Nothing that can create a mess or sticky hands. Examples: Cheez-Its, sliced apples, Pretzels, or baby carrots.
