Thank you for your support!

What we are learning:

*Reading/ELA: The readers can read by looking at pictures, words, listening, retelling, and working with the teacher. They will share their reading and thinking through conversations.

Phonics: decoding and encoding, review letters

Sight words: I, to, can

* Writing: The writers will build strong writing habits. They can generate ideas for writing through class discussions and drawing.

* Math: The students will use comparative language to describe two sets of up to 5.

* Social Studies: The students will understand that holidays are celebrations of special events and identify national patriotic holidays.

* Science: The students are expected to identify and record observable physical properties of objects, including shape, color, texture, and material, and generate ways to classify objects.

Reminders:

Please send a nutritious snack that is easy to eat to school with your student. All snacks must be peanut free. Nothing that can create a mess or sticky hands. Examples: Cheez-Its, sliced apples, Pretzels, or baby Carrots.
