Week of March 2- 6, 2026

We started wrapping up our “**Back Home in Texas**” unit this week. The students have really enjoyed learning about our great state! We also celebrated **Dr. Seuss’ birthday** and had fun practicing our rhyming skills by reading Dr. Seuss books and other rhyming stories together. Thank you to those of you who were able to join us for **Open House**. The students are always so proud and excited to show their families their classroom and the work they have been doing. It was wonderful to see so many of you there!

We also had our **Fun Run on Wednesday**, and the students had a great time. Some of you were able to join us, which made it even more special for them. Thank you for your support and for helping us work toward our schoolwide goal. We truly appreciate all that you do! Donations will continue to be accepted through the weekend.

Enjoy your Spring Break! See you on Monday, March 23.

What We Are Learning this Week

Our focus this week will be **farm animals** while also reviewing what we have learned about **Texas**. We will talk about the similarities and differences between **ranches and farms**. The students will also continue practicing their **phonics skills**, with a focus on **letter sounds, rhyming, alliteration, and onset-rime**.

I will also be administering a **small assessment** this week. This will not be for a grade. It simply helps me see where each student is in their learning and identify any areas where they may need a little extra support.

We will also begin enjoying some of the **prizes the students earned from the Boosterthon**. They worked very hard! We will be saving the **Glow Party** celebration for May.

Please don’t forget to complete your **background check** if you plan to join us for our **field trip to Blessington Farms** and/or **Field Day**. I know your child would love to have you there!

Have a wonderful week!

 **Upcoming Events:**

Daily Reminders:

Water Bottle & Snack: Please send a non-spillable water bottle and a dry, non-messy snack with your child each day.

Label Personal Items: Be sure to label jackets, water bottles, lunch boxes, and other belongings. Many students have identical items, and labeling helps us return lost items quickly.
