## Week of April 12 Recap

We have been busy reviewing what we've learned. We have been practicing reading and writing CVC words. The students have grown so much. I am very proud of them.

Thank you for all your contributions and support this year. You have all been so giving. I strongly believe learning needs to be fun. We are ending the year with a 10 Day Countdown. Thank you for your support and contributions to make this a success.

## What We are Learning

We will continue reviewing and learning but we are adding in some fun activities too. We had s'mores Thursday and went outside to enjoy chalk and bubbles on Friday. Please be sure to check the 10 Day Countdown sheet we sent home. I am also going to include a copy of it on Dojo.

## Communication

Our End of the School Celebration is Thursday, May 29. The celebration will be in the classroom. Please be on the lookout for a Sign-up Genius for items needed for the celebration. We want this to be a special event for the students. Please let me know if you have any questions.
