Library

5th-1st - Electronic Breakout Room These activities are important because they facilitate engaging and interactive discussions, and collaboration. They enable students to connect with each other, share ideas, and explore concepts in smaller, more comfortable settings than a large group setting. This can lead to increased participation, deeper understanding, and a more positive learning experience, especially for students who might be shy or struggle to speak up in front of the whole class.

K-PreK- Reading for enjoyment

All library books and items are due on May 16th.
