

THE SECOND GRADE SCOOP

WEEK OF: FEBRUARY 9-12

What We're Learning This Week

Reading: Readers notice the organizational patterns of informational texts.

Writing: Writers create procedural texts that clearly explain steps for tasks they know how to do.

Social Studies: Students will learn about how the past influences the present in order to better understand our community today.

Math: Students will learn how to solve multi-step word problems using flexible strategies.

Science: Students will learn about Earth's resources through an investigation and analyzing data they collect.

Upcoming Grades
