

# THE SECOND GRADE SCOOP

## WEEK OF APRIL 13-17

### What We're Learning This Week

**Reading:** Readers learn more about an author by reading several books they have written and noticing what happens often and sometimes.

**Writing:** Writers will study a mentor text to identify and analyze author's craft, then apply those techniques in their own writing while developing a piece over time.

**Social Studies:** Students will learn about the life and contributions of scientists and inventors.

**Math:** Students will learn to describe and compose 3D shapes based on given attributes.

**Science:** We are learning to make observations about the different structures of animals.

### Upcoming Grades

**Reading:** None

**Writing:** DG- Revising Quiz 4/17

**Social Studies:** MG- Unit 7 Test 4/17
