Week of September 22 Recap

This week we learned all about our senses! Students rotated through stations where they sorted pictures according to which sense they would use. They also created fun crafts—"ear" hats for hearing and a textured hand for touch. For sight, we read *Brown Bear, Brown Bear, What Do You See?* We will continue exploring our senses next week.

In addition, we practiced literacy and math skills, including syllabication, rhyming, counting, and patterning.

What We Are Learning this Week

Our Senses Adventure Continues!

This week, we'll be exploring the senses of **taste and smell**. To help us with our activities, we're asking each child to bring their **favorite type of apple** to school on Monday. We'll use the apples for some fun hands-on learning, including making applesauce! Students will get to taste, smell, and enjoy the experience together.

▲ Math Fun with Shapes

We're continuing our shape exploration! Students will practice recognizing and describing shapes in different ways. To make it even more fun, we'll be creating an **art project using shapes**.

CIRCLE Progress Monitoring

Our CIRCLE assessments are finished! Results were sent home in Tuesday folders. If you didn't see them, please let us know. These assessments are just one way we track growth. We'll also be keeping an eye on progress through everyday learning, stations, and group activities throughout the year.

Upcoming Events

October 8: Wear **Blue** – National Stop Bullying Day

October 9: Fall Pictures

October 22: Wear **Orange**

October 24: Trunk or Treat – 6:00 to 8:00 PM 🎃

★ Bonus fun: There will be a **prize for the grade level that brings in the most candy**

October 27–31: Red Ribbon Week

October 30: 50th Day of School (get ready for some 50s

October 31: Character Parade 🎭

🎃 Trunk or Treat – Friday, October 24

We are so excited to invite all students, family members, and friends to join us for this fun event! To help make it successful, we are asking students to bring in **bags of individually wrapped candy**. You may begin sending candy starting **Monday, October 6**.

★ Bonus fun: There will be a **prize for the grade level that brings in the most candy** (fun!)

Daily Reminders:

Water Bottle & Snack: Please send a non-spillable water bottle and a dry, non-messy snack with your child each day.

Label Personal Items: Be sure to label jackets, water bottles, lunch boxes, and other belongings. Many students have identical items, and labeling helps us return lost items quickly.
