Week of September 26 - 30, 2022

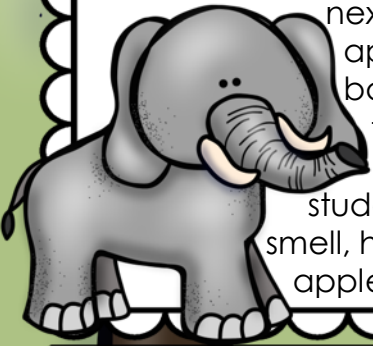

## Week of September 19 Recap

We focused on the letter Ff. We learned about taking care of ourselves and others. We also focused on feelings. We read the Color Monster book. If you ask your child how they are feeling they reply with a color word. They should tell you what feeling that color represents.

## What We are Learning

Our letter focus for this week will be Aa. We will learn about senses. We will be doing some sensory activities that have to do with our five senses. We will also be doing some activities with apples. Please send your child's favorite variety of apple next week. We will use the apples for graphing, balancing, observing, testing and finally to make applesauce. The students will use their senses smell, hear and taste the applesauce.
